How to get there:

Boreen Point is 170km North of Brisbane. From Brisbane, accelerate onto the Bruce Highway and ease yourself into a 2 hour trip. The most direct route is to take the second Pomona exit that crosses the highway into Pioneer Road. Follow the signs to Pomona. Drive through the roundabout, cross the train tracks and left into Pound Road. Then take the signed right to Boreen Point on Louis Bazzo Drive. This road turns into Boreen Point Road and soon enough you will be on the main drag leading into town.

Alternatively you can exit at either the Eumundi or Noosa, Cooroy, Pomona exit and navigate your way through Tewantin onto McKinnon Drive.
